### PREPARING FOR AN EMERGENCY IN YOUR HOME

Wednesday, April 18, 2018 (10:00-11:30)**

At this event you will meet Deputy Chief Mike Trullinger of the Hennepin County EMS (Emergency Medical Services). His agency has responded to 75,000 EMS calls; thus, no one is more qualified to tell us how to prepare for an emergency should it happen to one of us. Mike is bringing a new ambulance for us to tour inside and out which will be in the overflow parking lot following the presentation.

#### **In this presentation, you will learn:**

- How to prepare and plan for an emergency
- What happens and why
- Forms to have filled out .... medicines, medical history, etc.
- What to have in your home.... first aid, medical supplies, etc
- Who chooses the hospital?
